

FAASTeam presents:

Do You need more Practice

Jurg Grossenbacher, FFAST Program Manager from the Milwaukee FSDO will brief the pilots on the recent spike in accidents, incidents and pilot deviations due to the Pandemic. We will talk about the causal factors:

1. Lack of Proficiency
2. Standard Operating Procedures

We will discuss how you can stay safe this year and still enjoy flying to the fullest. We encourage your questions and participation.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.

Directions: Follow signs to Alexander Field Main Terminal located at 3620 1st Street South, Wisconsin Rapids, WI
